Thursday, February 8, 2018

Doors open at 5:30

Activities begin at 6pm-7:30pm

Everyone in our learning community knows that Our School Cares About Reading and OSCAR loves to see our families at our school enjoying fun literacy activities. SO shake off the cold weather blues, and come join us for this fun filled, free event for the whole family to enjoy!

There will be stations set up for you to go around and do different activities including bowling, making a family tree, a twister word game, a café snack station, a family portrait station and many others. At each activity you complete you will get a stamp on your passport. All the activities are designed as something you can also do at home.

Take your time and do as many as you like, at the end of the night you turn your Olympic passport in before you leave to win one of three huge reading baskets! Come out, and have some family fun learning together!

Attendance

Winter weather, the snow and cold temperatures, can present challenges to getting children to school. So can colds, fevers and earaches that seem to increase during the winter months. There's not much we can do about the weather, but we can remind our children that hand washing is important in helping them stay healthy and we can have a back-up plan to get our children to school if, for instance, our vehicles won't start. Let's continue to build the habit of good attendance during the winter months as we look forward to Spring!

Can You Feel the Love of Reading?

Have you always dreamed of being QMPS Valentine's Day King or Queen? From Feb. 1st to Feb. 13th is your chance. If you demonstrate good stamina for reading during your class' silent reading time during those dates you will be given a ticket to enter a draw to be QMPS Reading King or Queen. You have nine opportunities to get your name in the draw. On Wed., Feb. 14th, the Reading King and Queen will be treated to a book for their home library and a lunch with the Principal or the Vice Principal.

Parents/Guardians, if you're child/ren's enthusiasm for reading is demonstrated at home, please send a note to school for their homeroom teacher for an extra ticket for the draw.

Candy Grams

The SLC will be selling Candy Grams February 8th – 12th as part of their fundraising efforts for 'Pay It Forward'. Students can buy the Candy Grams at \$0.25 a piece and send them to their classmates and friends. They will be delivered to students in their classrooms Wed., February 14th.
