Tipi Teachings

Strength (**Muskāwisēwin**) is our 11th Tipi Teaching. When we have strength we are patient in times of trouble and we do not complain but we endure and show understanding. We accept difficulties and tragedies so that we may give others strength to accept their own difficulties and tragedies.

Our 12th Tipi Teaching is Good Child Rearing (**Mēyo Ohpikihāwasowin**). Children are unique and blessed with the gift of life. We are responsible for them spiritually, emotionally, and physically, and for their well-being and intellectual development. They present the continuity of our circle of life which we perceive to be the Creators will.

Attendance

Winter weather, the snow and cold temperatures, can present challenges to getting children to school. So can colds, fevers and earaches that seem to increase during the winter months. There's not much we can do about the weather, but we can remind our children that hand washing is important in helping them stay healthy and we can have a back-up plan to get our children to school if, for instance, our vehicles won't start. Let's continue to build the habit of good attendance during the winter months as we look forward to Spring!

Please call safe arrival at 1-833-309-1241 to let us know if your child will be absent from school.
