Hope

We must look forward to moving toward good things. We need to have a sense that the seeds we are planting will bear fruit for our children, families, and communities.
~ Elder Mary Lee

I must hope to have self-confidence and trust for the best and better things of my Indian life at the present moment and in the future.

Good Child Rearing

I must be self-determined to express and to encourage my children to have self-respect and good behaviour. The children should be taught how to respect their parents, guardians and elders also to take pride of our Indian ancestry.

Children are unique and blessed with the gift of life, we are responsible for their well-being, spirituality, emotionally, physically and for their intellectual development. They represent the continuity of our circle of life which we perceive to be the Creator's will. ~ Elder Mary Lee

APRIL 2ND IS WORLD AUTISM AWARENESS DAY

Everyone who's had the privilege to know someone with autism knows what strength, courage, and joy these individuals possess and this is a great time to share it with others.

Share a story that's touched your heart. Whether it's your own story or not, let your readers know how it touched your heart and include a link to the full story so they can read it for themselves.

Find an autism charity worthy of your donations and collaborate with your neighboring businesses to create a fundraiser, sharing the details in your email newsletter and on social media.

Share autism resources like AutismSpeaks.org or AutismSociety.org.

Spirit Week

- Monday, April 11th - Pastel/Tye Dye Day
- Tuesday, April 12th - Tourist Day
- Wednesday, April 13th - Jersey Day
- Thursday, April 14th - Crazy Sock/PJ Day

Beading Club

Beading Club for grades 7 & 8 students will be Thursdays after school until 4:45. Bring your signed permission form with you and join Miss Rozvelt in the Parent Room.

SLC Hotdog Sale

= \$4.00

Friday, April 29th

Please have your order forms in Wednesday, April 27th.

EASTER CANDY GUESS

The week of April 11th-14th we will have a candy guess - \$0.25 per guess or students can bring in a non-perishable item to be donated and can make one guess per item.

Principals' Message

Spring is here and we are a few short months away from wrapping up this school year. We have many things to celebrate at Queen Mary and I would like to thank our staff, students and families for contributing to a successful year thus far. I would like to make mention of a few of our celebrations and noteworthy happenings.

SCC met on March 10th and elected a new SCC Chairperson, Allison Gamble. Thank-you Allison for continuing to be an active member of our school community. I would like to encourage guardians to attend our next SCC meeting. It is a great opportunity to learn more about Queen Mary and all the wonderful programs we have. Please watch for our next meeting date on our Facebook page!

Thank you to our Playground Committee who has raised close to \$20,000 for our playground. We are almost halfway to our goal! Please watch for any up-and-coming fundraisers and help support in any way that you can.

Classroom numbers are at an all-time high. It is wonderful to see caregivers and students seeing the value of consistent attendance. With regular attendance we see strong connections to positive growth for students both academically and socially. We are a family and value CONNECTION. Please reach out to the school if you are worried about your child's attendance.

I would like to encourage families of grade 8 students to think about high school registration for the fall. Last week our grade 8 students participated in a tour of WESMOR and got a sample of what life was like as a high school student. There was a note sent home earlier this month communicating to families that bussing will no longer be provided to students. If you have any questions about your community-based school, WESMOR, please reach out to Gina Sinoski at 764-5233.

Please know that our admin. team has an "open door" policy. Call or stop in if you have any questions, concerns, or celebrations to share with us!

Let's finish the year off strong!

Yours in Education,
Principal Kari Korczak

UPDATE ON PUBLIC HEALTH ORDERS FOR SASKATCHEWAN

Effective February 28, 2022

» All COVID-19 public health orders have now ended for everyone in Saskatchewan.

- Masking is no longer mandatory in all indoor public spaces including schools, establishments, businesses and event venues.
- Rapid test kits will continue to be available at over 600 locations across the province.

As Public Health Orders have been lifted, and we are not required to mask indoors, Queen Mary will no longer be providing masks for staff or student use. We will continue to be a mask friendly environment so please feel free to mask if you so wish.

March & April

Visit <https://princealbertlibrary.ca/> for program details!
